*30 Daily Quotable  
Affirmations*

Hey Beauty/Beau,  
I hope these thirty different affirmations help to inspire you to formulate the life you desire through the words you speak! Life may be difficult, a bit unclear and all together confusing at times...but you can change that just by speaking around your current situation. These affirmations may not fit your life completely, so use them to help inspire affirmations that you can say daily that will fit your life completely. I hope you feel inspired and most importantly, I hope you receive whatever your heart's desire!
